# A Message from the EJF Auction Chairs

Dear Guests,

We are thrilled that you are joining us tonight for the Annual EJF Auction! EJF is an entirely student-run organization that funds Penn Law students pursuing public interest work and serving communities whose legal needs may otherwise go unmet. All proceeds from the auction will be given as grants to a group of talented and committed students.

The EJF Auction has become a longstanding tradition at Penn Law. Each year, students, faculty, staff, alumni, and businesses come together and lend their support to this event. Their generosity is truly inspiring.

This night would not be possible without the support of the Penn Law community. Many thanks are owed to the administrators and staff who have gone out of their way to make the auction a success, and to the faculty and students who have given us such fantastic and creative donations. We are also grateful to our alumni who continue to support us, especially Rick D'Avino, who has made it his business to encourage Penn Law grads to get involved.

Special thanks are in order for Bob Toll. Mr. Toll's superb auctioneering talents have made him the "voice" of the auction, and his support over the years has been so important to EJF. Thank you, Mr. Toll!

We also would like to acknowledge the generous support of the Summer Jackson-Healy Fund, established to support public service activities in the memory of Summer Jackson-Healy (Class of 2008). While at Penn Law, Ms. Jackson-Healy was an active member of the Equal Justice Foundation and the Penn Law community at large. We are honored to carry on this noble work in her memory.

Finally, a big thank you to our guests for being here. It has been an absolute delight putting this event together, and we hope that you enjoy your evening!

Sincerely,

Max Rosenberg, Tara Grigg Garlinghouse, Marisa Gold, Ethan Simonowitz Auction Chairs
