Welcome Guests!

We are thrilled that you are joining us tonight for the Annual EJP Auction! EJP is an entirely student-run organization that funds Penn Law students pursuing public interest work and serving communities whose legal needs may otherwise go unmet. All proceeds from the auction will be given as grants to a group of talented and committed students.

The EJP Auction has become a longstanding tradition at Penn Law. Each year, students, faculty, staff, alumni, and businesses come together and lend their support to this event. Their generosity is truly inspiring.

This night would not be possible without the support of the Penn Law community. Many thanks are owed to the administrators and staff who have gone out of their way to make the auction a success, and to the faculty and students who have given us such fantastic and creative donations and time. We are also grateful to our alumni who continue to be some of our biggest supporters.

Special thanks are in order for Rick D'Avino L'80. Mr. D'Avino has made it his business to encourage Penn Law grads to get involved and is responsible for securing many of our wonderful donations. This year we are honored that Mr. D'Avino will be showcasing one of his many talents as our live auctioneer. His support is truly essential to the success of EJP. Thank you, Mr. D'Avino!

We also would like to acknowledge the generous support of the Summer Jackson-Healy Fund, established to support public service activities in the memory of Summer Jackson-Healy (Class of 2008). While at Penn Law, Ms. Jackson-Healy was an active member of the Equal Justice Foundation and the Penn Law community at large. We are honored to carry on this noble work in her memory.

Finally, a big thank you to our guests for being here. It has been an absolute delight putting this together, and we are so happy you are here to share the evening with us. Now relax and enjoy the evening!

Sincerely,

Elli Marcus, Chesley Burruss, Marie Logan, and Maria da Silva
